It's not a Home 'till it's Planted!

These *Photographs*
tell the story ~

The conclusion is obvious—
appropriate landscape plant-
ings about the home yard
are exceedingly desirable.

Your Ideal Home

*T*HE home that you admire—the home you want to live in—always has a good lawn and plenty of trees, shrubs and flowers about it. Having an attractive yard means giving increased happiness and enjoyment to all your household. Furthermore, it means a permanently increased property value far beyond the modest cost of the plants needed.

*It is not expensive to
beautify your yard*

Mr. T. E. Good of St. Paul is justly proud of this attractive home.

How We Can Help You Improve Your Property

1. With plans and suggestions as to what and where to plant to get the best results.
2. With hardy, northern-grown plants, stock of first quality, in varieties that are suited to your local conditions.
3. With the actual work of planting if desired.
4. With dependable information as to care and culture.

There is but one opportunity each year to plant for that year's growth. Plan early; be ready to plant when the weather is favorable.

Make Your Yard More Attractive

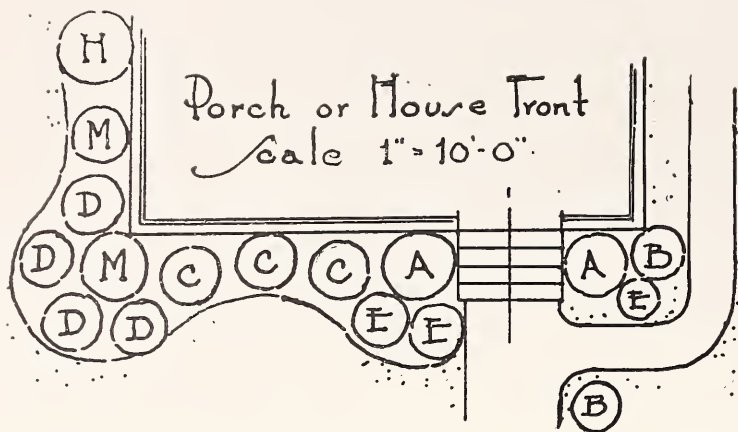

We can help you solve your planting problems. Your inquiries are solicited.

Ornamental Hedges

*A living wall
of green*

PRIVACY and seclusion, both highly desirable conditions

in the home yard, can be very pleasingly created by planting a hedge. A neat hedge along the property boundaries will frame in the grounds in a very attractive way. Unlike a fence the hedge does not decay nor need painting but grows more beautiful and effective year after year.

Here are Three Very Desirable Hedges

Buckthorn. This very dependable and hardy shrub makes a close, dense hedge of medium height. It stands shearing well to any desired outline or size. The leaves are glossy, dark green. Space the plants 12 inches apart. PRICE: Bushy, 3 year plants, 3 to 4 foot size, \$3.50 for ten; \$25.00 per 100.

Bridal Wreath. This popular, hardy shrub makes a graceful, ornamental hedge. The foliage is always pleasing while its glory of spring bloom is unmatched. Space the plants 30 inches apart.

PRICE: Bushy, 3 year plants, 3 to 4 foot size, \$6.00 for ten; \$50.00 per 100.

Plant your hedge this season to gain the benefit of this year's growth. We will cheerfully give any special information needed as to planting, trimming or culture.

Other hedges as well as all the hardy **Trees, Shrubs and Perennials** are described in our catalogue.
